

Curriculum Vitae

Personal Data

Name: Joachim Ritter
Born: 13.11.1952, Minden, Germany

School

1959 to 1963 Primary School in Bochum, Germany
1963 to 1971 Secondary School "Lessing-Gymnasium" in Bochum

Military Service

1971 to 1973 Degree: Lieutenant

Studies

1973 to 1974 Physics, University of Tübingen, Germany
1974 to 1978 General Engineering, University of Stuttgart, Germany
Main subjects: Plastic Engineering, Metal Forming
Diploma thesis: Orientation in Injection Moulded Parts
Final degree: Diploma Degree
1982 to 1986 Dissertation at Technical University of Munich
Thesis: Ultra Sonic Welding of Thermoplastics,
Degree: Doctor of Engineering

Business background:

1978 to 1982 Trainee at "Wilhelm Ritter" Company, Bochum, Germany
Since 1993 General Manager at "Dr.-Ing. Ritter Apparatebau GmbH", Bochum, Germany

Lectures:

2005-2006, Subject: "General Engineering", University of Applied Sciences Koblenz, Germany,

Publication:

„Energy Conversion with Ultra Sonic Welding of Thermoplastics“, Kunststoffe ("Plastics") 78 (1988), S. 546-550

Foreign language:

English, fluently in speaking and writing

Hobbies:

Skiing, mountain climbing, scuba diving, flying (Private Pilot License)
